

This clock, now in the PHS office, kept time in the little red schoolhouse when it was on the Stephens farm. (Birch Hill & Route 22)

Now is a good time to become a member

We're always looking for new members! If you know someone who might like to support us please pass our information along and encourage them to join. And if you're currently a member, please renew before the end of the year.

If you'd like to be an *active* member, there is always plenty to do! We need help with research, transcribing documents, and photography. We also need help in caring for our Little Red Schoolhouse, with the cemetery restoration, publicity, fundraising, and many other things. Come get involved. It's fun.
