USE OF DIGITAL IMAGES FROM THE COLLECTIONS

The Historical Society has invested considerable volunteer time in digitizing its collections. A fee is charged for the use of these images, which supports the work of the Society. The images are for personal use only and may not be transferred to other persons in any form. Personal use includes display on personal websites; however, if the images are displayed they must be accompanied by an attribution notice (“Digitized by the Patterson Historical Society of Patterson, NY”) and an active link to the Society's website (www.PattersonHistoricalSociety.org), both texts in a font size the same as the standard text of the person's website. Reproduction of the images in any publication which is for sale or to which a fee is associated is not allowed without the further explicit permission of the Society, and the payment of an additional fee.

I agree to the above terms and conditions,
